

West Slope Neighborhood

2010 YEAR IN REVIEW

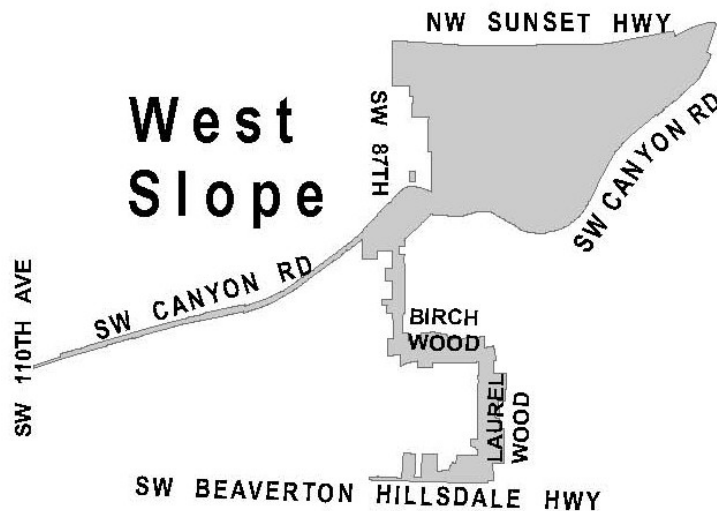

December 2010

Thanks to all of the volunteers who made 2010 such a successful year!

Play structure at West Sylvan Middle School.

The West Slope Neighborhood worked throughout 2010 on ideas to expand the amount of park space in the neighborhood. Currently, only the park around the West Sylvan Middle School is available for neighborhood residents. One idea has included working with the Tualatin Hills Park & Recreation District (THPRD) to purchase land in the neighborhood, but that process continues to unfold.

If you are interested in working with the West Slope Neighborhood on trying to find more land for parks in the neighborhood or on any other community building projects please attend their next meeting!

Join us at our next neighborhood meeting!

West Slope began utilizing a Facebook page in 2010 as another tool to get the

word out about their upcoming meetings, events, and activities. Find and like us at West Slope Neighborhood!
